

# Nowhere Fast

Meat Loaf

It's getting cold, it's getting dark,  
the nights are longer every day  
The air is heavy and the clouds  
will never burn away  
And we've been waitin' here so  
long that we've forgotten what it's like  
To turn into the fire, lookin' straight  
Into the straight into the light

Your heart is tryin' to rock  
But it can barely beat at all  
Your soul is tryin' to run  
But all your body does is crawl  
You don't need any signal  
You don't need any sign  
Nothin's gonna stop you once  
You cross over the line  
I wanna tear it all apart  
And take the clothes right off your back  
We're tearin' down the highway  
And we're breakin' away, breakin' away  
Breakin' away, we're breakin' away from the pack

We're breakin' away from the pack  
And if you don't have anywhere to go  
You go down on the pedal and you're ready to roll  
And even if you don't have anywhere to go  
You go down on the pedal and you're ready to roll  
And your speed is all you'll ever need  
All you'll ever need to know

You and me we're goin' nowhere slowly  
And we gotta get away from the past  
There's nothin' wrong with goin' nowhere baby  
But we should be goin' nowhere fast  
Everybody's goin' nowhere slowly  
They're only fighting for the chance to be last  
There's nothin' wrong with goin' nowhere baby  
But we should be goin' nowhere fast

It's so much better goin' nowhere fast

You shouldn't always see your world so clearly  
You shouldn't always know your place so well  
And all we're doin' here is hangin' around  
And goin' anywhere has gotta be heaven  
'Cos stayin here is gonna be hell  
And goin' anywhere has gotta be heaven  
'Cos stayin here has gotta be hell

I'm getting lost, I'm getting found,  
I'm getting born again each day  
We're dyin' on the vine until we finally,  
'til we finally get away  
The boundaries of this town  
Are closin' in just like a noose  
The future's gonna rust

If we don't put it to some, put it to some use

Your heart is tryin' to rock  
But it can barely beat at all  
Your soul is tryin' to run  
But all your body does is crawl  
You don't need any signal  
You don't need any sign  
Nothin's gonna stop you once  
You cross over the line  
I wanna tear it all apart  
And take the clothes right off your back  
We're tearin' down the highway  
And we're breakin' away, breakin' away  
Breakin' away, we're breakin' away from the pack

You and me we're goin' nowhere slowly  
And we gotta get away from the past  
There's nothin' wrong with goin' nowhere baby  
But we should be goin' nowhere fast  
Everybody's goin' nowhere slowly  
They're only fighting for the chance to be last  
There's nothin' wrong with goin' nowhere baby  
But we should be goin' nowhere fast
