

# Two Out of Three Ain't Bad

Meat Loaf

**A** **Amaj7** **D** **E**

**A** **Amaj7**  
Baby we can talk all night

**D** **A**  
But that ain't gettin us nowhere

**Amaj7** **F#m**  
I've told you everything I possibly can

**D** **E**  
There's nothing left inside of here

**A** **Amaj7**  
And maybe you can cry all night

**D** **A**  
But that'll never change the way that I feel

**Amaj7** **F#m**  
The snow is really piling up outside

**D** **E**  
I wish you wouldn't make me leave here

**D** **E** **A** **Bm** **A**  
I poured it on and I poured it out

**D** **E** **A** **Bm** **A**  
I tried to show you just how much I care

**D** **E** **A** **F#m**  
I'm tired of words and I'm too hoarse to shout

**G**  
But you've been cold to me so long

**D** **E**  
I'm crying icicles instead of tears

**D** **E** **D** **E**  
And all I can do is keep on telling you

**A** **C#m** **F#m**  
I want you I need you but there

**D** **E** **C#m** **F#m**  
Ain't no way I'm ever gonna love you

**Bm**  
Now don't be sad (don't be sad)

**D** **Dm7** **A** **E**  
Cause two out of three ain't bad

**D** **E** **A** **Bm**  
You'll never find your gold on a sandy beach

**A** **D** **E** **A** **Bm**  
You'll never drill for oil on a city street

**A** **D**  
I know you're looking for a ruby

**E** **A** **D**  
In a mountain of rocks

**A** **G**  
But there ain't no Coup de Ville

**E**  
Hiding at the bottom of a Crackerjack box

**C#m** **D**  
I can't lie I can't tell you I'm something I'm not

**C#m**  
No matter how I try I'll never be able  
To give you something

**D** **E**

Something that I just haven't got oh woh oh

**A**

Now there is only one girl that I will ever love

**D E7 A**

And that was so many years ago

And though I know I'll never get her out of my heart

**D E**

She never loved me back ooh I know

**A**

Well I remember how she left me on a stormy night

**D E A**

She kissed me and got out of our bed

**Ama j7**

And though I pleaded and I begged her

**F#m**

Not to walk out that door

**D E**

She packed her bags and turned right away

**D E D E**

And she kept on telling me she kept on telling me

**D E A C#m F#m**

She kept on telling me I want you I need you

**D E C#m F#m**

But there ain't no way I'm ever gonna love you

**Bm D Dm7 F#m**

Now don't be sad cause two out of three ain't bad

**Bm D Dm7 A**

Now don't be sad cause two out of three ain't bad

**A Ama j7**

Baby we can talk all night

**D E A**

But that ain't getting us nowhere
