

## Get On Down

### Meat Puppets

Way off down the road  
There comes Wagon Red  
Found himself a nickel  
Went straight to his head

Get on down  
Get on down  
Get on down  
Whoa

I looked out my window  
I saw Medium Joe  
Lighting both ends of his candle  
Glowing from head to toe

Get on down  
Get on down  
Get on down  
Whoa

New car cherry tomato  
Pulled off all the doors  
Pulled off the steering wheel  
Got the pedal taped to the floor

Get on down  
Get on down  
Get on down  
Whoa

Get on down  
Get on down  
Get on down  
Whoa

Get on down  
Get on down  
Get on down  
Whoa

Get on down  
Get on down  
Get on down  
Whoa
