

Divine Wrath

Meden Agan

"Is there a way for people to be spared?
Even ten righteous could save the rest"

A city once great now filled with sin
Greed and lust rule everyone's lives
All chances for redemption lost in the void
Through the ashes cleansing will come

Consumed by fire
All those remnants of decay
- Divine wrath -
Leave no one alive
"And nothing left behind"
- Divine wrath -

Two men once appeared dressed in all black
Revealing God's plan, destruction is at hand
Take all your family, don't turn behind
Or a pillar of salt you'll become

Consumed by fire...
