

Give Thanks

Medial banana

Ref:

We pray fi we friends and we enemies
Cause we don't wanna feel bad energy
Give thanks and praise to the most high, no lie
much love that's the strategy
Pray fi me friends and me enemies
Cause too much youth dead off in the cemetery
Give thanks and praise to the most high, no lie
much love that's the remedy

Erik verse:

Don't give it up when you feelin' down
Look within to reach a higher ground
Only love can tame the shadows in my mind
Doesn't matter where we are
Which place on this planet, north or south
East or west, near and far

Poky verse:

Yuh haffi humble but aim fi di heights
Keep yuhself up don't loose di sight
Spread di love no negative vibes
Haffi be ready weh life roll a dice

Wheneva wanna be somebody betta
Wheneva wanna be somebody else
Yuh can achieve it joss concentrate tuffa
Yuh have a power fi making it betta
We have a powa fi mek it work
We have a power fi mekin' it work

Ref:

Mi ready mi ready mi ready fi mek di love grow
Di wholeep a dutty thinking dat dem haffi let go
The future depends on the seeds that you sow
Every man haffi earn by the sweat of him brow
Me ready fi fight the bakkle in the here and now
Fi real we haffi mek it, somewhere somehow
It's time fi uplift the people, good over evil
Let's all live equal

Ref:

Erik:

We are here to spread the love with our music
Share our energy feel free to use it
