

# Super Collider

Megadeth

When you feel life's bringing you down  
And you see that you're all alone  
When your friends they have all run out  
That is when you will know when to run

On the high road  
(On the high road)  
I will take you higher  
(I will take you higher)  
Till the world explodes  
(Till the world explodes)  
Just like a super collider  
(like a super collider)

This could be all the heaven you see  
Life can be wicked, mean and cold  
Could this be the end of your living terror  
Come with me and I'll train your soul good

On the high road  
(On the high road)  
I will take you higher  
(I will take you higher)  
Till the world explodes  
(Till the world explodes)  
Just like a super collider  
(like a super collider)

Just one thing that I want you to know  
You don't need to be on your own  
No more feeling left out in the cold  
Take my hand and I'll take you home

On the high road  
(On the high road)  
I will take you higher  
(I will take you higher)  
Till the world explodes  
(Till the world explodes)  
Just like a super collider  
(like a super collider)

On the high road  
(On the high road)  
I will take you higher  
(I will take you higher)  
Till the world explodes  
(Till the world explodes)  
Just like a super collider  
(super collider yeah)

On the high road  
I will take you higher  
Till the world explodes  
Just like a super collider
