Trust

Megadeth

Lost in a dream Nothing is what it seems Searching my head For the words that you said

Tears filled my eyes As we said our last goodbyes This sad scene replays Of you walking away

My body aches from mistakes Betrayed by lust We lied to each other so much That in nothing we trust

Time and again, She repeats let's be friends I smile and say yes Another truth bends, I must confess

I try to let go, but I know We'll never end 'til we're dust We lied to each other again But I wish I could trust

My body aches from mistakes Betrayed by lust We lied to each other so much That in nothing we trust

God help me please, on my knees Betrayed by lust We lied to each other so much That in nothing we trust

How could this be happening to me I'm lying when I say "Trust me" I can't believe this is true Trust hurts Why does trust equal suffering

Absolutely nothing we trust
