

Vortex

Megadeth

Internal combustion
Multiple personalities
Terror inside of me
A mask of silent agony

Curse the falling rain
The vortex of pain

As medieval as Merlin
A pact for power was made
Lucifer in transition
It's time the price was paid

Scorching the domain
The vortex of pain

A telestic message
Written in torment
Howl our dirges
Like the horns of Jericho
Distorted faces
Writhing in rage
Walls of purgatory
Tumble down
Endless death
The jewels of a crown
