

# Die For You

Megan McCauley

Your fear, it moves me  
Your weakness, I taste  
I breathe you, I hate you  
You course through my veins

And now  
And now

You want me, you love me  
And I hate myself  
I breathe you, but I hate you  
Cause I want nothing else

And I bleed you, since I've healed you  
Your pain escapes through me  
Cause I breathe you, but I hate you  
Cause they say we could never be  
They can't see

I know I shouldn't love you  
There's just too much to fake  
But you see me, and I feel you  
And I am not afraid  
I'm not afraid

And I bleed you, since I've healed you  
Your pain escapes through me  
Cause I breathe you, but I hate you  
Cause they say we could never be

It seems the pains been traded  
Since I pulled you through  
And now my mind's been jaded  
And I would kill myself for you  
I'd die for you

And I want you and I need you  
Your pain escapes through me  
Cause I breathe you, but I hate you  
Cause they say we could never be

I want you  
And I need you  
And I bleed you  
Cause I breathe you

And I see you  
And I feel you  
And I hate you  
Cause I'd die for you  
I'd die for you
