

Into The Fire

Megan Nicole

Drowning slowly
In these chains I built
Wrapped tight
Held by insecurities

Grow up, don't dream
Be anything but you
Stay within these lines
I can't live like this

Holding on for a change
But I just can't move
Breaking from my skin
Finally pushing through

Stepping into the fire
Walking the wire
Shedding my uncertainties
Coming out stronger
I'm gonna conquer
All the possibilities

Ooh Ooh Ooh Ooh
Ooh Ooh Ooh Ooh
Illuminating all I see
Ooh Ooh Ooh Ooh
Ooh Ooh Ooh Ooh
Gonna change reality

Looking back on
What I used to be
An image, once scattered
That never felt complete

Holding on for a change
But I just can't move
Breaking from my skin
Finally pushing through

Stepping into the fire
Walking the wire
Shedding my uncertainties
Coming out stronger
I'm gonna conquer
All the possibilities

Ooh Ooh Ooh Ooh
Ooh Ooh Ooh Ooh
Illuminating all I see
Ooh Ooh Ooh Ooh
Ooh Ooh Ooh Ooh
Gonna change reality

Stepping into the fire
Walking the wire
Shedding my uncertainties
Coming out stronger

I'm gonna conquer
All the possibilities

Ooh Ooh Ooh Ooh
Ooh Ooh Ooh Ooh
Illuminating all I see
Ooh Ooh Ooh Ooh
Ooh Ooh Ooh Ooh
Gonna change reality
