

# Safe With Me

Megan Nicole

You're not abandoned  
There's always someone waiting  
With open hands who'll  
Reach out and stop you fading  
Into the darkness  
I hope you know it's me

You've been hurt before and hurt again  
And you're wondering will it ever end  
Cause no matter what you say or do  
It's so hard to find the truth  
One thing I can promise you

I promise you're safe with me  
You're not alone  
You're safe with me  
Your heart is home  
Now and forever  
I'll be your shelter  
I'm gonna help you to believe  
You'll always be safe with me  
Now that I found you  
You will see  
My love surround you  
Soft as a rainbow  
I'll be your halo  
You'll always be safe with me

Trust has it's dangers  
But faith is everlasting  
I'm not some stranger  
My lifeline's for the asking  
I'm looking through you  
What a world to see

I know how it feels to be afraid  
And to question every step you take  
But tonight, we're standing face to face  
Not a single breath to waste  
Only one thing left to say

I promise you're safe with me  
You're not alone  
Your safe with me  
You're heart is home  
Now and forever  
I'll be your shelter  
I'm gonna help you to believe  
You'll always be safe with me  
Now that I found you  
You will see  
My love surround you  
Soft as a rainbow  
I'll be your halo  
You'll always be safe with me

Ohhhhh

Safe with me  
Ohhhhh

Know that you're safe with me  
You're not alone  
You're safe with me  
Your heart is home  
Now and forever  
I'll be your shelter  
You'll always be safe with me
