

Walkashame

Meghan Trainor

Oh my god, I put my pants on inside out
I couldn't tell 'cause the lights were out
I beat the sunrise again, oh oh oh
Neighbors stare, I smile away 'cause I just don't care
They're probably jealous of my sexy hair
And the heels in my hand
Well please don't judge, it was mad late
I had a lot to drink
But I was only being safe, well

Don't act like you haven't been there
Seven am with the bed head
Everyone knows it's the walkashame

My daddy knows I'm a good girl
We all make mistakes in the drunk world
Everyone here's done the walkashame

Oh my brain, little birdies sound like airplanes
How can something so cute 'cause me
So much pain
Well please don't judge, it was mad late
I had a lot to drink
But I was only being safe, well

Don't act like you haven't been there
Seven am with the bed head
Everyone knows it's the walkashame

My daddy knows I'm a good girl
We all make mistakes in the drunk world
Everyone here's done the walkashame

I might be walking but it's only 'cause I'm out of breath
Don't even try to act like
you ain't done the same mistake
And if you're gonna do the walk, do it like a boss, a boss
That's right
A little bit of rum in my tummy, yum, yum
Must shake it up, and dance like a dummy, dom, dom
He kissed me and he called me his babe
Asked me to stay
How could I turn that away?
Don't judge, it was mad late
I had a lot to drink
But I was only being safe

Don't act like you haven't been there
Seven am with the bed head
Everyone knows it's the walkashame

My daddy knows I'm a good girl
We all make mistakes in the drunk world
Everyone here's on the walkashame

Don't act like you haven't been there
Seven am with the bed head

Everyone knows it's the walkashame
