

# Wave

Meghan Trainor

I want what I can't have  
Still holding onto hope  
Drowning in my tears  
This love's a sinking boat  
Oh-oh, oh-oh  
This love's a sinking boat  
Oh-oh, oh-oh

Once my hands have reached the shore  
You pull me back in  
And I shouldn't beg for more  
But I don't want it to end

Just take me like a wave  
(wave, wave, wave) oh-oh (wave)  
Take me like a wave (wave, wave)  
Oh-oh-oh (wave, wave)  
Take me like a wave,  
Pull me back and forth  
Crash into my arms,  
Tell me I am yours  
Take me like a wave (wave, wave)  
Oh-oh-oh (wave) ah-ah (wave)

Headed to surface, I'll keep you afloat  
I'll keep you safe, babe (safe, yuh-yuh)  
Right in the middle of heaven and hell  
This world was made for us (yeah)  
Don't blame you at all (ah)  
It was all my fault (yeah)  
I swear that I won't do  
The shit that I did before  
I'm too scared to walk away (yeah)  
I need you back with me (hey)  
I think it's all the same for you, yeah  
I just wanna kiss your neck  
'Cause I miss the way  
You're dancing on me, yeah  
Lemme pull ya back in (yeah)

Once my hands have reached the shore  
You pull me back in  
And I shouldn't beg for more  
But I don't want it to end

Just take me like a wave  
(wave, wave, wave) oh-oh (wave)  
Take me like a wave (wave, wave)  
Oh-oh-oh (wave, wave)  
Take me like a wave,  
Pull me back and forth  
Crash into my arms,  
Tell me I am yours  
Take me like a wave (wave, wave)  
Oh-oh-oh (wave) ah-ah (wave)

(Oh-oh, oh-oh)

Oh-oh, oh-oh)
