

Ave Maria

Melody Gardot

Ave Maria they tell me
Married but never a ring
Ave Maria they tell me
Ave Maria they sing (They sing)

Even if I were to wonder
What could I say for my youth
Pivotal moments of blunder
What is the meaning of truth? (Of truth)

Follow the road and you'll find me
Follow the road and you'll see
Gathering thoughts should remind me
Nothing's as plain as it seems (It seems)

This covenant causes me crisis
Curious minds would agree
All of this talk of our vices
When is a mind to be free? (Be free)

Follow the road and you'll find me
Follow the way and you'll see
Gathering thoughts should remind me
Nothing's as plain as it seems (It seems)
