

Dragonflies' Tales

Memoria

Up against stream of time
Broad and calm
Up the wild sparkling creeks
Waterfalls, narrow brooks
Up to the everlasting spring of aeons
And all life
That is where they flicker 'bout
Keep flying regardless of all time

Have you seen dragonflies
Dragonflies dancing
Have you heard dragonflies
Dragonflies chanting
Tales of the world's ancient days
Chant of the years
When no fears ruled this land
Of blue dreams

Sapphire dragonflies
Dragonflies dancing
Sapphire dragonflies
Dragonflies chanting
Tales of the world's ancient days
Chant of the years
When no fears ruled this land
Of dragons

See dragon tears glitter in wings of dragonflies
Last dragon's tears over the wish to seize the land
Realms of dwarves, sweet fairies and goblins
Realms of all that mere humans have dreamt of

Have you seen dragonflies
Dragonflies dancing
Sapphire dragonflies
Dragonflies dancing

Have you heard dragonflies
Dragonflies chanting
Sapphire dragonflies
Dragonflies chanting
