

The Burden

Memphis May Fire

woman: i'm doing the best i can what do u want from me?
man: just get this bullshit out of here!
woman: well i'm sorry, the vacuum cleaner broke.
man: well f____, you dont do anything, its driving me crazy.
woman: so what? who cares? why dont you do anything?
man: you're lazy.
woman: I'm not lazy just shut it.
man: why dont you just clean? i'm the one always making money.
woman: money?! i dont see you making money! what about our groceries and the car?

man: did you forget about ur hair? what about that?
woman: so what? why are you complaining? why do we not go out?
this is bullshit. lets just stay home for dinner.
man: ok we're not going out then. And look at this mess on the table! You never clean!
woman: oh and you clean? all you have to do is laundry and I'm sick of it! Its bull and I'm leaving! Its bull and I dont care!
I dont know what Im supposed to do!
man: you dont-
woman: I dont care!
