I can't get to sleep
I think about the implications
Of diving in too deep
And possibly the complications

Especially at night
I worry over situations
I know will be alright
Perhaps it's just imagination

Day after day it reappears Night after night my heartbeat, shows the fear Ghosts appear and fade away

Alone between the sheets Only brings exasperation It's time to walk the streets Smell the desperation

At least there's pretty lights And though there's little variation It nullifies the night From overkill

Day after day it reappears Night after night my heartbeat, shows the fear Ghosts appear and fade away Come back another day

I can't get to sleep
I think about the implications
Of diving in too deep
And possibly the complications

Especially at night
I worry over situations that
I know will be alright
It's just overkill

Day after day it reappears Night after night my heartbeat, shows the fear Ghosts appear and fade away

Ghosts appear and fade away Ghosts appear and fade away
