

Bucking Hard

Mental As Anything

Loving you
Is like a rodeo
Bucking hard
All the way
It's a ride
But I'm holding on
All that's missing
Is the hay

In the saddle or bareback, baby
I really don't mind
Long as we're together, baby
Wouldn't leave you behind

Loving you
Is like a rodeo
Bucking hard
All the time
I don't mind
Guess it's exercise
And I do yours
You do mine

In the saddle or bareback, baby
I really don't mind
Long as we're together, baby
I wouldn't leave you behind

One, two, three, four

Loving you
Is like a rodeo
Bucking hard
All the time
But I don't mind
Guess it's exercise
And I do yours
You do mine

Ooh
Ooh
Ooh, that's what
Ooh
