

Empty Uniform

Mental As Anything

I was just an empty uniform
Until you turned me on
I didn't know who to take orders from
Until you came along

I'm not worried
I'm just a worrying
And I'm hurrying
Back to you

I was just an empty uniform
I couldn't hold a job
I could never hold my head up high
But I could hold my alcohol

I'm not a warrior
I'm just a worrying
And I'm hurrying
Back to you

I won't embarrass you
In front of your friends
And I don't care
If you tell me what to wear
Don't tell me
I don't love you any more
It's not true
It's not true

I was just an empty uniform
I could never make up my mind
I didn't know what I was waiting for
But I was running out of time

I'm not a warrior

I'm just a worrying
And I'm hurrying
Back to you

I won't embarrass you
In front of your friends
And I don't care
If you tell me what to wear
Don't tell me
I don't love you any more
It's not true
It's not true

I'm not a warrior
I'm just a worrying
And I'm hurrying
Back to you

I won't embarrass you
In front of your friends
And I don't care

If you tell me what to wear
But don't tell me
I don't love you any more
It's not true
It's not true

I won't embarrass you
In front of your friends
And I don't care
If you tell me what to wear
But don't tell me
I don't love you any more
It's not true
It's not true
It's not true
It's not true
