

Goat Tracks In My Sandpit

Mental As Anything

There's goat tracks in my sandpit
Goat tracks in my sandpit
Who's been letting them goats loose around here?

Goat tracks in my sandpit
Goat tracks in my sandpit
They've been drinkin' all my cans of beer

Now, I don't really mind a goat or two
There's one thing I just can't stand
It's goat shit on my shoes

Goat tracks in my sandpit
Goat tracks in my sandpit
Who's been letting those goats loose around here?
Ah-ha

Hold that goat, boy
Hold that goat, boy

Now lots of folks keeps cats and dogs and such
But it seems to me that folks with goats
Let them move around too much

Goat tracks in my sandpit
Goat tracks in my sandpit
Who's been letting those goats loose around here?
Who's been letting them goats loose around here?
Who's been letting them goats loose around here?

Hold that goat, boy
Hold that goat, boy
Hold that goat, boy
