

Got Hit

Mental As Anything

I got hit
I'm gonna learn, learn, learn
I got hit
I'm gonna burn, burn, burn

Burst my bubble baby (Burst my bubble baby)
That's my trouble baby (That's my trouble baby)
Maybe I've been lazy (Maybe I've been lazy)
For you don't...
Listen to my words
Laugh at my jokes
Kiss me in bed
So let's stop

Feed the cat and I feed the dog
Go away baby
Get up and catch a bus, work hard at my job
Stay away baby

I got hit
I'm gonna learn, learn, learn
I got hit

I'm gonna burn, burn, burn

Burst my bubble baby (Burst my bubble baby)
That's my trouble baby (That's my trouble baby)
Maybe I've been lazy (Maybe I've been lazy)
For you don't...
Listen to my words
Laugh at my jokes
Kiss me in bed
So let's stop

Feed the cat and I feed the dog
Go away baby
Get up and catch a bus, work hard at my job
Stay away baby

You don't...
Listen to my words
Laugh at my jokes
Kiss me in bed
