

I'll Have You

Mental As Anything

I don't have a whole lotta money
Don't have a whole lotta hair
I don't have a whole lotta time to spend
Puttin' my feet into the air

Don't have a whole lotta tattoos
I don't have a whole lotta holes
I don't have a whole lotta sleepers
From my face down to my soles

But I'll have you, if you want me too
Said I'll have you, if you want me too

I don't have a whole lotta lovers
Tellin' me what I already know
I don't have a whole lotta time to spend
Goin' places I should not go

Don't have a whole lotta muscle
Or much credibility
I don't have a whole lotta sycophants
But that's alright with me

'Cos I'll have you, if you want me too
Said I'll have you, if you want me too
Said I'll have you, if you want me too
Said I'll have you, if you want me too

If you want me too, if you want me too
Do you want me too?
Do you want me too?
