

Missing Plane

Mental As Anything

Missed my plane last night
Greatest fool on earth
Please believe me cause you know
I'm sorry for what it's worth

You have waited oh so patiently
But what I just don't understand
Is why you'd wait for me

Sinking a few it was brought to my attention
Twenty hundred hours meant eight instead of ten

Missed my plane last night
Greatest fool on earth
Please believe me cause you know
I'm sorry for what it's worth
For what it's worth
For what it's worth
