

One More Time

Mental As Anything

Too much, there's too much going on
Simple, the simple things are gone
All rush, it's all ASAP
I don't see what they can see

But I would be lying if I said I don't care
We should be trying to work things out
Just one more time, just one more time
Just one more time

Not much generosity
It's locked up, there's not too many keys
Selfish, I'm just the same as you
Thinking, I'm thinking that it's true

That I would be lying if I said I don't care
We should be trying to work things out
Just one more time, just one more time
Just one more time

But I would be lying if I said I don't care
We should be trying to work things out
Just one more time, just one more time
Just one more time, just one more time

Just one more time
One more time, one more time
One more time
