

## Seems Alright to Me

Mental As Anything

I heard someone say  
She don't belong 'round here  
I said that's O.K.  
Seems alright to me

Eyes collide and she glows  
Like an alien  
Eyes collide and she smiles  
Seems alright to me  
Seems alright to me

Unusual lights  
Reported in the sky  
Valentich radioed  
Seems alright to me

Now it's my turn  
I have to learn

What's it worth  
Here on earth

A metaphysical girl  
She's out of this world  
By the way, where did you meet her?  
By the way she walked

I heard someone say  
She don't belong 'round here  
Well I said that's O.K.  
It seems alright to me  
Seems alright to me

Seems alright  
Seems alright
