

# The Awakening

Merciless

No more pain, my birth's no longer denied  
I'm your god, obey me or die

Light of the sun, at last I am free  
Born with vengeance, I'm your destiny  
In my dreams wall of despair  
In my mind I knew it's nothing there

You'll pay for all my suffering and pain  
Soon I will rule this earthly domain  
Hate is the only word I know  
And my heart's black and so cold

The awakening

Lonely I am, that's the way it's gonna be  
When you're mine, you're mine for eternity  
Now your soul belongs to me  
So down on your fucking knees

I'll take your soul into the dark  
Seas of blood from your bleeding heart  
Now this fuckin' world is mine  
As you know I will never die
