

On My Way To You

MercyMe

Almost there, almost where I'm supposed to be
It's not all clear, but you keep showing me
With every step, the more my heart moves to your beat
Just like where I'm headed, there's joy in the journey

Teach me to think like you think
Show me the things, that are true
Finish the work you have started in me
As I'm on my way to you
As I'm on my way to you

Create in me a pure heart and make me new
Less of me, Jesus more of You
Here I stand, still I'm drawn down to my knees
It's not my strength, but Your's that carries me

I'm on my way to you (5x)
