I just can't believe
Where my life was at
All that I know is that my heart was broken
And I don't ever wanna go back

Ain't no explanation
How I saw the light
He found me and set me free
And it brought me back to life

Blame it on the transformation Changed down to the core His love is real And I can't sit still Cause my name's not shamed no more

Great God Almighty done changed this Great God Almighty, He done changed me

You gotta shake, shake, shake Like you're changed, changed, changed Brand new looks so good on you So shake like you've been changed

Come on and shake, shake, shake like you're changed Shake, shake, shake like you're changed

Maybe He came to you
When everything seemed fine
Or maybe your world was upside down and hit you right between the eyes
No matter when it happened
At 7 or 95
Move your feet 'cause you are free
And you've never been more alive

You gotta shake, shake, shake Like you're changed, changed, changed Brand new looks so good on you So shake like you've been changed

Come on and shake, shake, shake Like you're changed, changed, changed Brand new looks so good on you So shake like you've been changed

Come on and shake, shake, shake like you're changed Shake, shake, shake like you're changed Shake, shake

Great God Almighty done changed me Great God Almighty, He done changed me Great God Almighty done changed me Great God Almighty, He done changed me
