

The Promise

MercyMe

I love you
And I will never leave you
Nor forsake you
And I love you
And i will never leave you

You are my child
You are my child
When you're down
When your heart is broken
When no one seems to care
Please know that I love you

'cause you are my child
You are my child
And i want to wrap my arms around you
And i want to wrap my arms around you
And say everything, everything will be alright

You are my child
You are my child
Let me wipe those tears from your eyes
Let me wipe those tears from your eyes

Come to me
Come to me
Come to Jesus
Come to him
Come to Jesus
Come to him
