

## Jesus Sees

Meredith Andrews

When you're shattered by grief  
Can't find a reason to sing  
On your hardest of days  
When you're fighting for faith

You are not alone here, you are not alone here

He is near to the broken hearted  
Closer still than the air you breathe  
Every tear falling in the darkness  
Jesus sees

Though you question, though you doubt  
He is running to you now  
With perfect love and perfect peace  
He is everything you need

You are not forgotten, no, you are not forgotten

He is near to the brokenhearted  
Closer still than the air you breathe  
Every tear falling in the darkness  
Jesus sees  
He is faithful in every season  
You are never beyond His reach  
Every hurt that you thought was hidden  
Jesus sees

He meets you in your pain  
He calls you by your name  
He sees, He understands, He holds you in His hands
