

## Can't Break the Habit

Merle Haggard

I can kick any habit that is if I want to\*  
Or I can lay off whatever I'm on  
But of all the things that I've been a slave to  
Hey you're the one thing I can't leave alone

I can't break the habit love is too strong  
I can't take the cure now I've been hooked too long  
I crave your loving wouldn't quit if I could  
Can't break the habit cause I have it too good

I can stay off the bottle go straight if I want to  
Or I can stay high till the curtain comes down  
I used to get around love and move on if I had to  
But you're the one thing I can't get around
