

# Mama I've Got to Go to Memphis

Merle Haggard

Mama did she leave to go to Memphis  
Are you taking care care of Brady while she's gone  
And mama is she down there drown the memories  
Surely she won't be in Memphis very long  
Mama since I left her I've been crazy  
I bet she thinks my love for her is gone  
I stopped by because I thought she'd be here waiting  
Mama Memphis can't be very far  
She'll be back to get the baby  
Could I stay with little Brady while she's gone  
She'll be back to get the baby  
Surely she won't stay in Memphis very long  
  
She'll be back to get the baby\
