Messy Marv

[Messy Marv]

She was only 13 pushin' a stroller  
Project livin' homie runnin' from the rollers  
But get money  
We didn't have shit when momma tried  
Daddy done left again, got momma gettin' high  
Think I ain't knowin' got me on the corner sellin' rocks  
I do it for the set mane, I'm tryna run the block  
But she ain't knowin', I'm 16 but got a Benz  
Momma I'm ridin' with a mac, and 3 of my friends  
We got the sack, I know I'm young but I'm playin' daddy  
I'm comin' up I got these other niggas mad at me  
I'm runnin' up mask down momma cockin' my ruegar  
See what that single parent shit do to ya  
Real talk what I'ma lie fo momma, we starvin'  
Was I suppose to leave it up to Big Marvin (hell nah)  
I'm the one I'ma tell y'all (what)  
Shit I'ma kill a motherfucker I ain't goin' back to jail y'all

[Chorus]

I'm in the game but I'm winnin' tho, feel me momma  
These 24s keep spinnin' tho, feel me momma  
That project livin' tho, feel me momma  
Ya got to feel me momma, I know you feel me momma  
I'm in the game hella heavy, feel me momma  
I'm headed to the pen is what they tell me, feel me momma  
Fuck school it's all about the feddy, feel me momma

[Messy Marv]

The homie on the block got smoked  
These new niggas just bangin' think this shit a joke (suckas)  
But we ain't playin'

But now he gone..

And that's when Creature Man and [?] was sellin' pearl  
Knock out niggas it's nuts mane ya blocks thorough

Somebody snitchin' nigga, tellin' on the infrastructure  
Time will tell I ain't worried 'bout it, the game will touch ya  
That's on me homie
