

# Rebel With A Reason

Mest

No I aint got a high school diploma  
No I aint got a masters degree  
But what you got to realize  
Is that you dont mean shit to me  
Because what I wanna do in life  
Dont take no education  
What it takes is pure love and dedication

Being told Im gonna go nowhere  
Being told Im gonna do nothing  
That shit dont phase me bitch I aint bluffin  
Did ya really think all that shit ya said that it would phase me  
Guess again you puto I'm already loco

I know I can't turn back the time  
And I know I can't change my state of mind  
One thing that I know for sure  
Is even if I end up poor  
I'll still be strummin' my guitar

I know I can't turn back the time  
And I know I can't change my state of mind  
One thing that I know for sure  
Is even if I end up poor  
I'll still be strummin' my guitar

It was so long ago but not too far away  
Calumet park is where I used to stay  
And when I was a kid everything went right  
And now I'm growin' up and it seems to be going wrong  
So say what you want to say  
And do what you wanna do  
Take some words of advice from me to you  
Be yourself through and through

I know I can't turn back the time  
And I know I can't change my state of mind  
One thing that I know for sure  
Is even if I end up poor  
I'll still be strummin' my guitar

Say what you want now  
Say what you want now  
It has no effect on me  
Say what you want now  
Say what you want now
