

# You Don't Know What I Know

Mest

I know you've got the best intentions  
Just trying to find the right words to say  
Promise I've already learned my lesson  
But right now, I wanna be not okay

I'm so tired, sitting here waiting  
If I hear one more "Just be patient"  
It's always gonna stay the same

So let me just give up  
So let me just let go  
If this isn't good for me  
Well, I don't wanna know

Let me just stop trying  
Let me just stop fighting  
I don't want your good advice  
Or reasons why I'm alright

You don't know what it's like  
You don't know what it's like

Can't stop these feet from sinking  
And it's starting to show on me  
You're staring while I'm blinking  
But just don't tell me what you see

I'm so over all this bad luck  
Hearing one more "Keep your head up"  
Is it ever gonna change?

So let me just give up  
So let me just let go  
If this isn't good for me  
Well, I don't wanna know

Let me just stop trying  
Let me just stop fighting  
I don't want your good advice  
Or reasons why I'm alright

You don't know what it's like  
You don't know what it's like

Don't look at me like that  
Just like you understand  
Don't try to pull me back

Let me just give up  
Let me just let go  
If this isn't good for me  
Well, I don't wanna know

Let me just stop trying  
Let me just stop fighting  
I don't want your good advice  
Or reasons why I'm alright

You don't know what it's like  
You don't know what it's like  
You don't know, you don't know, you don't know  
You don't know what it's like  
You don't know what it's like  
You don't know, you don't know  
You don't know what it's like  
You don't know what it's like
