

# The Unforgiven

Metallica

**Ami**                      **Emi**  
New blood joins this earth  
**D**                      **Ami**  
And quickly he's subdued  
**Emi**  
Through constant pain disgrace  
**D**                      **Ami**  
The young boy learns their rules  
  
With time the child draws in  
This whipping boy done wrong  
Deprived of all his thoughts  
The young man struggles on and on he's known

**C**                      **G**  
A vow unto his own  
**C**                      **G**  
That never from this day  
**C**                      **G** **E**  
His will they'll take away

**Ami**                      **C**  
R: What I've felt  
**G**  
What I've known  
**Emi**                      **Ami**  
Never shined through in what I've shown  
Never be  
Never see  
Won't see what might have been  
What I've felt  
What I've known  
Never shined through in what I've shown  
Never free  
Never me  
So I dub the unforgiven

They dedicate their lives  
To running all of his  
He tries to please them all  
This bitter man he is  
Throughout his life the same  
He's battled constantly  
This fight he cannot win  
A tired man they see no longer cares  
The old man then prepares  
To die regretfully  
That old man here is me

R:

You labeled me  
I'll label you  
So I dub the unforgiven
