## Japanese Girl

## **Metro Station**

I've never felt alone in a city so busy Baby when you give it to me Girl you look so pretty

I hope you never leave me and I promise to stay but if you say it back I won't believe you anyway

You move so fast
In the sac it comes quick
By the end of the night
It's you I'm gunna pick

Don't say you love me Cause you sound so fake I see that you're my mistake

My little Japanese girl My Tokyo baby My little Japanese girl You drive me crazy

I can't understand a single word you say
But until the morning it's here we'll lay

I know I sound crazy but with you I feel same Deep in my heart I know you're so vain

You move so fast
In the sac it comes quick
By the end of the night
It's you I'm gunna pick

It's your body
To me you'll give
So come on let's live

My little Japanese girl My Tokyo baby My little Japanese girl You drive me crazy

Baby baby Bend on it with your lips now and shake it off show me with your hips now (2x)

My little Japanese girl My Tokyo baby My little Japanese girl You drive me crazy (2x) Oh ooo oh oh Oh oh ooo oh oh (8x)
