

## I Should Have Been a Tsin-Tsi (for You)

Mew

I should have been a tsin-tsi for you.

When I call you up - always think twice.  
I've been gathering - the eminent flies.  
There are times when I - call you up twice.  
No more saying what - with all of your ties.

I should have been a tsin-tsi for you.  
I should have been a tsin-tsi for you.  
I should have been a tsin-tsi for you.  
I should have been a tsin-tsi for you.

I should have been a tsin-tsi for you.  
I should have been a tsin-tsi for you.  
I should have been a tsin-tsi for you.  
I should have been a tsin-tsi for you

I should have been a tsin-tsi for you.  
I should have been a tsin-tsi for you.  
I should have been a tsin-tsi for you.  
I should have been a tsin-tsi for you
