

# Sometimes Life Isn't Easy

Mew

No don't cry for me  
Celebrate El Sueño  
The way it operates  
No don't cry for me  
Celebrate El Sueño  
The way it oughta be

Thinking about everything  
Why did you stop?  
You didn't know what it's like  
Isn't that how it goes  
When you're lovesick?  
Thinking about everything

Don't you know sometimes when it feels  
Like someone put a hex on you?  
Well i felt like that, i was blaming myself  
I was cushioning my fall

Hold my arms back when they beat me  
Leave me in the ditch when they kick me  
Sever my limbs and deceive me  
Sometimes life isn't easy

Here we go, here we go  
I'm surprised in you  
Here we go home  
Beside you  
An like you  
I'm lost in your doubt  
Scrolling, scrolling, scrolling

Hold my arms back when they beat me  
I promise you  
Don't you know sometimes when you can't  
See no end to the tricks we play?  
Sometimes life isn't easy

Here we go, here we go  
I'm surprised in you  
Here we go home  
Beside you  
An like you  
I'm lost in your doubt  
Scrolling, scrolling, scrolling

Safety net, i regret  
I am shaky  
We know you are  
I am shaking
