Mew

Always not to exaggerated fights  
Or to defy  
Go away like you always do your entire life  
You're saying bye

Fool in the night  
Wake in the night  
Oh let me go, old dinosaur  
From the right to the wrong settle

For such a long time I didn't know if I'd find you  
Say stop, made up, lying on the bathroom floor  
(ah ah ah ah ah ah ah)  
For such a long time I didn't know if I'd find you  
Say stop, made up, lying on the bathroom floor  
(ah ah ah ah ah ah ah)

Haunted all this time  
Don't know how to fly  
We know you're there  
Flashlight as your guide  
Sticky from your dye  
Unfurling hair

Fool in the night  
Stay in the night  
Oh let me go, old dinosaur  
From the right to the wrong settle, settle  
Cover me with your long feathers  
When I die  
Circle me in your long feathers, feathers, feathers, feathers

For such a long time I didn't know if I'd find you  
Say stop, made up, lying on the bathroom floor  
(ah ah ah ah ah ah ah)  
For such a long time I didn't know if I'd find you  
Say stop, made up, lying on the bathroom floor  
(ah ah ah ah ah ah ah)

So alive though our wolves might talk about it every day  
Don't want to say no more now  
'Cause we ain't gonna lie to you  
We're writing cursive to  
Our signs, our water slides

For such a long time I didn't know if I'd find you  
Say stop, made up, lying on the bathroom floor  
(ah ah ah ah ah ah ah)  
For such a long time I didn't know if I'd find you  
Say stop, made up, lying on the bathroom floor  
(ah ah ah ah ah ah ah)

For such a long time I didn't know if I'd find you  
Say stop, made up, lying on the bathroom floor  
(ah ah ah ah ah ah ah)  
For such a long time I didn't know if I'd find you  
Say stop, made up, lying on the bathroom floor

(ah ah ah ah ah ah ah)

Don't don't

For such a long time I didn't know if I'd find you

(say stop, made up)

Lying on the bathroom floor
