

## Diggin' A Grave

Micah P. Hinson

I'm diggin' a grave in the moonlight.  
I'm diggin' a grave where we laid.  
Hopin' the sun will never come up  
And there'll be no compromise again.

We're diggin' a grave in the moonlight.  
We're diggin' a grave where we laid.  
Hopin' the sun will never come up  
And there'll be no compromise again.
