

Be Lifted

Micah Stampley

Jesus, we lift Your name on high
Your name on high
Be lifted high
Come on, son
Jesus, we lift Your name on high
Your name on high
Be lifted high
Say!

Jesus, we lift Your name on high
Your name on high
Be lifted high
Lift it up
Jesus, we lift Your name on high (oh)
Your name on high
(Here we go)
Be lifted high
Everybody clap your hands

Come on

Let's say it again

Jesus, we lift Your name on high (hey)
Your name on high
Be lifted high
Come on, say
Jesus, we lift Your name on high
Your name on high
Be lifted high

Be lifted high
Be lifted high
Be lifted high
Be lifted high in all the earth

Be lifted high
Be lifted high
Be lifted high
Be lifted high in all the earth

Jesus, Your name be glorified
Be glorified
Be lifted high
Jesus, Your name be glorified
Be glorified
Be lifted high

Clap your hands if you love Jesus
Clap your hands if you're a believer
Clap your hands if you love Jesus
Clap your hands if you're a believer

Clap your hands if you love Jesus

Clap your hands if you're a believer
Clap your hands if you love Jesus

Clap your hands if you're a believer

Cristo, tu nombre alabaré
Alabaré, te alabaré
Cristo, tu nombre alabaré
Alabaré, te alabaré
Te alabaré
Alabaré, alabaré
Tu nombre alabaré
Alabaré
Alabaré (alabaré), alabaré (alabaré)
Tu nombre alabaré

Clap your hands if you love Jesus
Clap your hands if you're a believer
Clap your hands if you love Jesus
Clap your hands if you're a believer

Clap your hands if you love Jesus
Clap your hands if you're a believer
Clap your hands if you love Jesus
Clap your hands if you're a believer

Come on!

That's it (hey-y-y)

Be lifted high
Be lifted high
Be lifted high
High in all the earth

Be lifted high
High
High
High in all the earth

Be lifted high
Be lifted high (oh, Lord)
Be lifted high (yeah)
Be lifted high in all the earth (one more time)

Be lifted high
Be lifted high
Be lifted high
Be lifted high in all the earth
