

We Need the Lord

Micah Stampley

Come and capture our hearts,
Saturate our thoughts,
Manifest Lord, now,
Don't let Your glory depart.

We need the glory.
We need the glory.

We need the glory.
We need the glory.
So we won't leave here the same way we came.
Purify our hearts with a fresh burning flame.
We need Your fire to fall down like rain, Holy Spirit.
We need the glory, send down the glory,
Shekinah glory, the weight of Your glory.
