

# Immortality

Michael Ball

So this is who I am and this is all I know  
And I must choose to live  
For all that I can give  
The spark that makes the power grow

And I will stand  
For my dream if I can  
A symbol of my faith in who I am  
But I am so lonely

And I must follow on  
The road that lies ahead  
I won't let my heart control my head  
I am so lonely

And we don't say goodbye  
We don't say goodbye  
And I know what I've got to be

Immortality  
I make my journey through eternity  
I keep the memory of you and me inside

Fulfill your destiny  
It's there within the child  
My storm will never end, my fate is on the wind  
The King of Hearts, the joker's wild

And we don't say goodbye  
We don't say goodbye  
I'll make them all remember me

'Cause I have found a dream  
That must come true  
Every ounce of me must see it through  
But I am so lonely

I'm sorry I don't have a role  
For love to play  
Hand over my heart, I'll find the way  
I will make them give to me

Immortality  
There is a vision and a fire in me  
I'll keep the memory of you and me inside

And we don't say goodbye  
We don't say goodbye  
With all my love for you  
What else we may do

We don't say goodbye
