

## With One Look

Michael Ball

With one look I can break your heart  
With one look I play every part  
I can make your sad heart sing  
With one look you'll know all you need to know

With one smile I'm the guy next door  
All the love that you've hungered for  
When I speak, it's with my soul  
I can play any role

No words can tell the stories my eyes tell  
Watch me when I frown, you can't write that down  
You know I'm right, it's there, black and white  
When I look your way, y'all hear what I say

Yes, with one look I put words to shame  
Just one look sets the screen aflame  
Silent music starts to play  
One tear in my eye makes the whole world cry

With one look they'll forgive the past  
They'll rejoice, I returned at last  
To my people in the dark  
Still out there in the dark

Silent music starts to play  
With one look you'll know all you need to know  
With one look I'll ignite the blaze  
I'll return to my glory days

They'll say, "Look, who's back at last"  
This time I'm staying, I'm staying for good  
And I'll be back where I was born to be  
With one look I'll be me
