

Baby (You've Got What It Takes)

Michael Bublé

Well now it takes more than a robin
To make the winter go

And it takes two lips for fire
To melt away the snow
Well it takes two hearts a cookin'
To make a fire grow
And baby you've got what it takes
Now listen honey

Alright baby

You know it takes
A lot of kissin'
To make a romance sweep
Oh it takes a lot of lovin'
To make my life complete

Oh, well it takes somebody special
To knock me off my feet
And baby, you've got what it takes
Hmm

I said,
Oh,
Uh huh,
Oh,
Oh you've got just what it takes
Because it takes more
Than an effort, to stay away from you
And it takes more than a lifetime
To prove that I'll be true
Yeah,
But it takes somebody special
To make me say I do
And baby, you've got what it takes

Ah ha,
Oh,
Ah ha,
Oh,
Oh you've got just what it takes
Oh, because it takes a lot of effort
To stay away from you
And it takes more than a lifetime
To prove that I'll be true
Well it takes somebody special
To make me say I do
And baby, you've got what it takes
Come on say that again honey
And baby, you've got what it takes
One more time, come on
And baby, you've got what it takes
You got it, you got it
Mm hmm, you know you've got what it takes
You've got it, you got it
Baby don't you know you've got what it takes

You got it, you got it
