

# Barefoot On The Beach

Michael Franks

Barefoot on the beach  
Warmed by the subtropic sun  
Easily seduced - I'm in  
Safely out of reach  
From faxes and the telephone  
I get happy when  
A dolphin joins me for a swim

My Captiva Island hideaway  
Isn't complete  
Not without you - what about you?  
You could jump a DC-8 and  
Probably be here by eight  
My Captiva Island bungalow's  
Perfect for two  
No attire is required -  
Just a toothbrush, dear,  
'Cause here we don't wear much

Barefoot on the beach  
The Gulf invites me to get wet  
Is it green or blue? I'm in  
Perfect as a peach  
Please send yourself to me by jet  
Make me happy when  
Your flight arrives and we dive in
