

# Enjoy Every Second

Michael Franti & Spearhead

This one's dedicated to everybody out there  
Living life in the present moment  
Come on  
Come on

You got to  
Enjoy every second  
Enjoy every second you feel  
You got to enjoy every second  
Enjoy every second you feel  
And oh my, my, my  
It doesn't matter if I fall down or if I fly  
Enjoy every second you feel  
And keep it real y'all  
Keep it real!

I'm giving thanks for every second of this life that I've been given  
Every mountain that I've climbed and every  
Pitfall that I fell into  
Remember me and you  
Dancing in the living room  
Cooking in the kitchen  
Bringing music to the barbecue  
So many ups and downs  
But we turn the frowns around  
Clowning with each other till the neighbors say to turn it down  
Life is like a rhythm so enjoy it while this song is on  
Ya never know when it could go away

Cause when it's gone, it's gone away  
And when it's gone, it's gone away  
And when it's gone, its gone away  
And when it's gone, its gone away

So you got to  
Enjoy every second  
Enjoy every second you feel  
You got to enjoy every second  
Enjoy every second you feel  
And oh my, my, my  
It doesn't matter if I fall down or if I fly  
Enjoy every second you feel  
And keep it real y'all  
Keep it real!

I'm always singing in the shower  
And I stop to smell the flowers  
When I'm putting in some hours

On an album full of songs for you  
Roses, carnations, ganja all rolled up for you  
Traveling the nations and you bring me inspiration boo  
Cause life is never easy but you make it all worth living through  
Like sitting on the beach with sandy feet and making out with you  
Even when the skies are grey  
We're never throwing time away, no, no  
Cause when it's gone, it's gone away

And when it's gone, it's gone away  
And when it's gone, its gone away  
And when it's gone, its gone away

So you got to  
Enjoy every second  
Enjoy every second you feel  
You got to enjoy every second  
Enjoy every second you feel  
And oh my, my, my  
It doesn't matter if I fall down or if I fly  
Enjoy every second you feel  
And keep it real y'all  
Keep it real!

You got to  
Enjoy every second  
Enjoy every second you feel  
You got to enjoy every second  
Enjoy every second you feel  
And oh my, my, my  
It doesn't matter if I fall down or if I fly  
Enjoy every second you feel  
And keep it real y'all  
Keep it real!

You got to  
Enjoy every second  
Enjoy every second you feel  
You got to enjoy every second  
Enjoy every second you feel  
And oh my, my, my  
It doesn't matter if I fall down or if I fly  
Enjoy every second you feel  
And keep it real y'all  
Keep it real!
