

Hello Bonjour

Michael Franti

I don't need a passport
To walk on this earth,
Anywhere I go cause I was made of this earth
Im born of this earth,
I breath of this earth,
And even with the pain I believe in this earth, So
I wake Up every mornin and Im steppin on the floor,
I wake up every mornin and Im stepping out the door
I got faith in the sky,
Faith in the one,
Faith in the people rockin underneath the sun
Cause every bit of land is a holy land and
Every drop of water is a holy water and
Every single child is a son or a daughter of the one Earth mama and the one
Earth papa, So
Don't tell a man that he can't come here cause he got brown eyes and a wavy
kind of hair, And
Don't tell a woman that she can't go there because she prays a little differ
ent to a God up there
You say you're a Christian
Cause God made you
You say you're a Muslim
Cause god made you
You say you're a Hindu and the next man a Jew
Then we all kill each other
Cause God told us to NAH!
