

# Let The People Talk

Michael Hutchence

Let the people talk, if it keeps them happy  
Gonna eat that cake, I'll blow the candle  
Watch your ice and float on the mouth alone  
It's a simple word gonna trip you up  
Well you know you're my friend in a needy shutter  
Let the ring through your nose as they lead you too certain

Ain't nobody but yourself again  
Ain't nobody but yourself again  
Ain't nobody but yourself again  
Ain't nobody but yourself again

Take the piece of youth, take the piece of me  
If the time has come for the juice to flow  
Baby squeeze for blood 'cos the lips that stick  
And the promises that we never keep

Ain't nobody but yourself again  
Ain't nobody, ain't nobody  
Ain't nobody but yourself again  
Ain't nobody, ain't nobody

(Ain't nobody, nobody)  
Ain't nobody (nobody)  
But yourself again (nobody)  
I am your shadow (nobody)  
Sleeping under your dark (nobody)  
I am your shadow (nobody)  
Sleeping under your dark (nobody)  
Slip 'n' slide, slip slip 'n' slide  
Slip 'n' slide, slip slip 'n' slide (slip slidin')  
Slip 'n' slide, slip slip 'n' slide  
Slip 'n' slide, slip slip 'n' slide (slip slidin')  
Ain't nobody, ain't nobody, ain't nobody, nobody

Ain't nobody but yourself again  
Ain't nobody, ain't nobody  
Ain't nobody but yourself again  
(Ain't nobody but yourself again)  
(Ain't nobody but yourself again) ain't nobody  
Ain't nobody but yourself again  
(Ain't nobody but yourself again)  
(Ain't nobody but yourself again)  
Ain't nobody, ain't nobody  
(Ain't nobody but yourself again)  
(Ain't nobody but yourself again) ain't nobody

I am your shadow sleeping under your dark  
Slip 'n' slide, slip slip 'n' slide  
Slip 'n' slide, slip slip 'n' slide  
Slip 'n' slide, slip slip 'n' slide  
Slip 'n' slide, slip slip 'n' slide  
Slip 'n' slide, slip slip 'n' slide  
Slip 'n' slide, slip slip 'n' slide  
Ah ah...Right there...
